S6 Mock Examination 2015-16

The mock examination of S6 will be held from 8 January to 3 February 2016. Students do not need to go to school between 4 and 7 January. However, they can come back to school and study at the library or the self-study room during the aforementioned period. It is hoped that such arrangement can help students prepare well for the examination. Unless there are special arrangements, students must arrive at school by 8:00 a.m. during the examination period. After the examination every day, students should go home for revision as soon as possible. However, they may also study in the self-study room in the school till 7:30 p.m. We hope that students can make good use of their time and strive for best results in the examination. In view of this, parents are strongly advised to urge your child to make the best efforts for the examination.
