3D Culture Study Trip to Zhaoqing

The school has made continuous efforts in enriching students' learning experience and cultivating their multiple intelligences throughout the years. To broaden students' horizon, we have organized activities within and outside the school as well as culture study trips and study tours, both local and overseas.

Culture study trips to Guangdong Province have been organized for S3 students since 1992. As before, the school will continue to organize culture study trips in the current school year.

For S3 culture study trip this year, Extract International Cultural Exchange Centre will organize transportation, food and accommodation. The trip will be held on 8 and 9 November in Zhaoqing. Please see the attached preliminary itinerary. Students are required to submit a report on their trip afterwards.

The fee for each student is \$220 after deducting the subsidy applied for students. The fee covers sightseeing services on the Mainland (local food and accommodation, transportation, and admission to attractions), travel insurance, service charges of drivers and tour guides, and relevant miscellaneous charges.

Please submit the reply slip and the fee (payment should be by cheque payable to 'Yan Oi Tong Tin Ka Ping Secondary School') to the form teacher on 18 September (Monday). Students with financial difficulties may apply for financial assistance through the Hong Kong Jockey Club Life-wide Learning Fund. **No refund is available for participants who are unable to join the culture study trip due to personal reasons.** Participants will be notified if the culture study trip has to be postponed due to adverse weather conditions or special circumstances. Participants will be notified later of the departure and return time, the location of assembly and dismissal, and points to note regarding the trip. For enquiries, please contact Ms. CHAN Shuk-kuen or Ms. YIU Man-yee at 24643731.
