S1-3 1st Uniform Test 2020 – 2021

The first uniform test of S1-3 will be held on 2-6 November 2020. Unless otherwise arranged, students must arrive at school by 8:00 a.m. during the test period. After all tests every day, students should return home for revision as soon as possible. Students are not allowed to bring any electronic devices such as tablets, databank watches, smart watches or any other gadgets with communication or data storage functions. Penalties will apply according to the school regulations if students fail to comply.

Students should make good use of their time and strive for the best results. In view of this, parents are strongly advised to encourage your child to make the best efforts for the tests.

For cross-boundary students, they shall receive electronic copies of the test papers on the same test day through the school intranet, e-Class, as take-home tests. In order to maintain the fairness of the assessment, the results of 'take-home' test will not be counted towards the school assessment reports and will only serve as reference for teachers, parents and students.
