No. 22-23/08

2 September 2022

S6 Uniform Test 2022 – 2023

To help students better understand their performance and prepare for the HKDSE in 2023, the school will arrange a uniform test for S6 students on Saturdays from 8 October to 12 November 2022. On days when no assessment is arranged, students may return to school and study in the library in accordance to the opening hours of library.

Without any special arrangements, students must arrive at school and go to the designated venue by 8:00 a.m. during the uniform test period. After the test on each day, students should return home for revision as soon as possible. Electronic devices such as databank watches, smart watches or any other gadgets with communication or data storage functions are not allowed in the tests. Penalties will apply according to the school regulations if students fail to comply.

Since there is only one mock examination in S6, if students are absent from the examination in February 2023 due to sickness or other reasonable circumstances, their examination scores will be projected based on their performance in the uniform test. A score of zero will be given to those who are absent from the uniform test or mock examination without a legitimate reason.

Test results will be used as reference for the HKDSE school level prediction and will be issued to parents and students as reference on the S6 Parents' Day held on 20 November 2022.

We hope that students can make good use of their time and strive for best results in the uniform test. Parents are strongly advised to urge your child to make the best efforts for the test.

For enquiries, please contact the form teacher.

Please refer to the attached for the Uniform Test timetable.

Ng Kit Yung
Principal
