### Talk on Multiple Pathways to Tertiary Education

Dear Parents,

Secondary six students will progress to tertiary education when they complete secondary education. To increase students' and parents' understanding of the multiple pathways to tertiary education and enable them to make informed and appropriate choices, the school's Career Counselling Committee will organize the Multiple Pathways Talk on October 2, 2022 (Sunday) at 9:00 to 10:15 a.m in **Zoom**. The talk will introduce the Joint University Programmes Admissions System (JUPAS) subject selection strategies, Principal's Nomination Scheme, and further studies on the mainland and in Taiwan. Some alumni will be invited to share their experiences in making informed decisions for their future.

All Secondary six students and parents **must attend** the talk. Login with the student's username and password and enter the Zoom meeting ID 7708025150. For updated information about multiple pathways, you may visit the Education Bureau's website at: <https://334.edb.hkedcity.net/new/tc/multiplepathway.php>.

For enquiries, please contact your form teacher.

Ng Kit Yung  
Principal

Reply slip (To be returned to form teacher on 19 September)

\_\_\_\_ September 2022

I am notified of the school's arrangements for the Talk on Multiple Pathways to Tertiary Education.

I **will / will not** attend the talk.
