S2 Half-yearly Examination 2022-2023

The S2 half-yearly examination will commence on 3 January and end on 13 January 2023 (Teaching Weeks 19 & 20). For the rest of the time, students should prepare for the examination at home. Electronic devices such as tablets (except iPad with school MDM), databank watches, smart watches or any other gadgets with communication or data storage functions are not allowed in the examination. Penalties will apply according to the school regulations if students fail to comply. The half-yearly examination carries 50% of the yearly total mark. Please urge your child to make good use of their time and strive for the best results.

Cross-boundary students who are currently in the mainland will sit for the examination via live Zoom sessions. On the day of each examination, they will obtain a digital version of the examination paper through the school intranet eClass. Students need to upload their answer scripts through eClass when the examination finishes. The detailed arrangements of the scheduled meeting will be issued to students and parents concerned in mid-December 2022.

Based on the principle of fairness, results of all non-face-to-face examinations will be used solely as reference for teachers, parents and students.

The school will continue to monitor the development of the pandemic and the latest arrangements by the Education Bureau closely. Parents and students will be informed the earliest possible if the examination is affected. Please stay tuned for our updates.

For enquiries, please contact the form teacher.

Please refer to the attached for the examination timetable.
