Parents' Day

The S1-5 Parents' Day will be organized on 5 March (Sunday). Student report cards for the first term will be distributed.

Parents are cordially invited to meet the form teacher with your child together to discuss his/her performance in the first term. Parents of cross-boundary students should meet the form teacher on ZOOM by joining the meeting with the school account of your child.

In case the pandemic has aggravated and the EDB advises against large-scale events, the Parents' Day will be organized online. Please use the school account of your child to join the form teacher's ZOOM meeting and meet the form teacher with your child together at the designated time. It should be noted that some parents may be invited to come to the school in person to meet the form teachers and other teachers concerned.

If parents are unable to attend the Parents' Day at the time specified or have other enquiries, please contact the form teacher.
