## School Challenge Day

The school is going to hold a School Challenge Day on 20 September. The event is a record-breaking event, setting \*SDG Sustainable Development World Record. Our teachers in charge will arrange Form 1 to Form 3 students to join in groups and practise in a flowing manner, dancing together for 74 seconds, with a total of 300 or more students. The English full names of the participating students will be printed on the SDG sustainable development world record personal electronic certificate. The volunteers of the organizers will be present to film the record-setting footage of rope skipping, which will be broadcast on NOW TV and other media channels in the future.

For enquiries, please contact the form teacher or the Vice Principal, Ms. Hung Man Fong.

Dr. Kai Sze Fai  
Principal

\* Notes: *Sustainable Development Goals (SDGs): All member states of the United Nations adopted the Sustainable Development Goals (SDGs) in 2015, committed to eradicating poverty, reducing inequality, and hoping to build more peaceful and prosperous societies by 2030. SDGs, also known as Global Goals, call on everyone to take action to create a sustainable world.*
