S6 Mock Examination 2023-2024

The S6 mock examination will be held from 29 January to 22 February 2024. Unless there are special arrangements, students must arrive at school by 8:00 a.m. during the examination period. After the examination every day, students should go home for revision as soon as possible. Students are not allowed to bring any electronic devices, such as tablets (except those permitted by school), databank watches, smart watches or any other gadgets with communication or data storage functions. Penalties will apply according to the school regulations if students fail to comply. A score of zero will be given to students who are absent from the examination without a legitimate reason.
