**Summer Revision Class for S1-S3 Students**

Students' learning is one of the priorities of the school. As part of the dedicated efforts to help students lay a solid foundation in learning, a summer revision class has been arranged for students who did not achieve satisfactory results in the annual academic performance. The summer revision class is therefore organized to help students understand the importance of learning and lay a strong foundation for the future. Subject tutors will check up and provide assistance for completing the assignments.
